

## NVIDIA LEARNING CREDIT RULES

The following are rules for redeeming Learning Credits for NVIDIA training services:

1. Learning credits must be redeemed in increments of \$10,000 and assigned to one of these training categories:
  - a. NVIDIA Deep Learning Institute (DLI) Private workshops
  - b. DLI Public workshops
  - c. DLI Self-paced courses
  - d. NVIDIA Academy (Academy) courses and workshops
2. Learning credits may be redeemed for training services offered by DLI and Academy. Refer to the [NVIDIA Learning Catalog](#) for a list of available courses.
3. When redeeming for private instructor-led training, schedule and availability are subject to confirmation by NVIDIA.
4. Learning Credit redemptions cannot be combined with any other offers.
5. Learning Credits, once redeemed, are not convertible back to learning credit.
